

After Hours Medical Advice

Please note that there is a \$20 fee assessed to calls made to our after-hours line. That fee is billed directly to the patient and does not get submitted to health insurance carriers. In **SOME** circumstances, as described below, that fee **MIGHT** be waived:

- The call resulted in a referral to an urgent care or emergency department
- The call is followed by a visit to the office in the next 24 hours
- The call is related to a visit in the office the proceeding 7 days
